About Arabian Horizon

Arabian Horizon is a leading Business Consulting Agency headquartered in the Kingdom of Saudi Arabia, dedicated to facilitating Foreign Direct Investment (FDI) and supporting international businesses in establishing and growing their operations across the Kingdom. With offices in Jeddah, Riyadh, and Dubai, we serve as a trusted greenfield strategic partner for investors, entrepreneurs, and corporations seeking to unlock the immense potential of the Saudi market.

We work with governments, businesses, and investors to help them realize their true potential and ensure sustainable value creation. Our deep understanding of the local regulatory environment, combined with a global perspective, positions us uniquely to bridge the gap between international ambitions and Saudi realities.

Mission	Vision	Values
To be the most trusted gateway for foreign investors entering the Saudi Arabian market.	A future where Saudi Arabia's Vision 2030 is realized through strategic international partnerships and investment.	Excellence · Integrity · Innovation · Transparency · Client-First Approach

Our Services

Arabian Horizon offers a comprehensive suite of consulting and support services designed to make business entry into Saudi Arabia seamless, compliant, and profitable.

Business Setup Service	End-to-end expert support to establish a legally compliant and operationally ready business in Saudi Arabia. We handle licensing, registration, regulatory approvals, and all administrative requirements.
Accounting Services	Accurate financial record-keeping, reporting, and tax compliance services tailored to the Saudi regulatory framework. We ensure your financial operations meet ZATCA and SOCPA standards.
Contracts & Commercial Consultancy	Specialized support for drafting, reviewing, and negotiating commercial contracts under Saudi law. We also provide Alternative Dispute Resolution (ADR) services through our affiliate ahc-ksa.com .
Business Consultancy	Strategic advice to improve organizational performance, productivity, and profitability. Our seasoned consultants deliver actionable insights aligned with your growth objectives and Saudi market realities.
General Services	A wide range of operational support services to make day-to-day business activities easier — from PRO services and government liaisons to market research and administrative support.

Why Invest in Saudi Arabia

Saudi Arabia stands as the most dynamic emerging economy in the Middle East and a global powerhouse for investment. Backed by Vision 2030 — a sweeping reform agenda led by His Royal Highness Crown Prince Mohammed bin Salman — the Kingdom is rapidly diversifying beyond oil and opening its doors to the world.

Economy Size	Largest economy in the Arab World with a GDP of \$782 billion
Population	33 million people, including a young and highly educated workforce
Business Ranking	22nd most business-friendly country out of 185 economies worldwide
Regional Leadership	Led the Middle East on the Ease of Doing Business list for 8 consecutive years
Growth Rate	GDP growth accelerated from 2.2% to 4.8% in 2021, projected 4.1%–6.3% in 2022
Location	Strategic crossroads linking three continents: Asia, Africa, and Europe
Capital Markets	CMA reforms allow qualified foreign investors direct access to Saudi listed securities
NEOM Project	A \$500B futuristic city on the Red Sea — a living laboratory for innovation and sustainability

Vision 2030 Highlights

Saudi Arabia's Vision 2030 has catalyzed transformative economic reforms: new business opportunities in tourism, entertainment, technology, and manufacturing; privatization of key state assets; simplified foreign investment regulations; and the development of mega-projects such as NEOM, The Red Sea Project, and AMAALA. These initiatives collectively signal a new era of openness and opportunity for international investors.

Why Choose Arabian Horizon

Deep Local Expertise	Our team combines decades of on-the-ground experience in Saudi Arabia with fluency in local regulations, cultural norms, and government relationships.
Greenfield Strategic Partner	We accompany clients from initial market assessment through full operational launch — a true end-to-end partner, not just a one-time advisor.
Multi-Jurisdictional Presence	With offices in Jeddah, Riyadh, and Dubai, we offer seamless regional coverage across the Gulf.
Proven Track Record	Over 12,143 clients served across all major sectors, with an average client profit improvement of 35%.
Committed to Excellence	Arabian Horizon is certified for quality and committed to delivering measurable, sustainable value for every client engagement.
Media Recognition	Featured in Gulf Madhyamam and other regional media as a trusted voice on Saudi investment and FDI trends.
